Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is the introduction to the book. I dont invite people to a banquet that I know are going to choke on the grub. This book is not suitable for Orthodox Jews. Nominal Christians should be okay except for Chapter 11. Skip that. There are few swipes along the way but nothing that might raise your hackles more than momentarily. If you take that religion seriously you should join in an ecumenical manner the Orthodox Jews as they file out the door. Otherwise, everyone else, welcome aboard. There are three types of people who might write on a subject as embodied in the title of this book, "Moses Was a Black African The Jews Came Out Of India." The first are scholars. The second are religious believers. The third are crackpots. Then there is I: none of the above. Ill take the categories one at a time. The only way I could have gotten a passing mark in a course at the university level would have been to bribe someone. Im not an atheist as was my grandfather. He set me off in the right direction. Then later I went my own way. His favorite saying was, "All religion is a racket. They are fooling the people." On the positive side Ive matched his attendance record at synagogues in this century. I have not gone near one. He would have been proud. Some people regard me as a crackpot. This is my 44th book and not a few of the books are completely off the wall. I admit that. But the ranks of those who think I am a crackpot do not include anyone who...
