### Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at any time of the time (that's what catalogues are for about when you request me).*

## CHINESE ZODIAC

[DOWNLOAD PDF](#)

Alphascript Publishing Feb 2010, 2010. Taschenbuch. Book Condition: Neu. 219x149x10 mm. Neuware - The Sheng xiao, better known in English as the Chinese Zodiac, is a scheme that relates each year to an animal and its reputed attributes, according to a 12-year cycle. It has wide currency in several East Asian countries besides China and Taiwan. Identifying this scheme using the term 'zodiac' reflects several similarities to the Western zodiac: both have time cycles divided into 12 parts, each labels at least the majority of those parts with names of animals, and each is widely associated with a culture of attributing influence of a person's relationship to the cycle upon their personality and/or events in their life. Nevertheless, there are major differences: the 'Chinese' 12-part cycle is divided into years rather than months; contrary to the association with animals implied in the Greek etymology of 'zodiac', actually four of the Western 'signs' or 'houses' are represented by humans and one is the inanimate balance scale 'Libra'; the animals of the Chinese zodiac are not associated with constellations, let alone those spanned by the ecliptic plane. 80 pp. Englisch.
