Thomas Nelson Publishers, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. The relationships in your life will make the difference between happiness and misery. The right relationship will launch you to the heights of achievement; the wrong one will tether you to mediocrity. Your relationships will be your sources of greatest joy and your venues of greatest pain. Van Moody says, When people show you who they are, pay attention. We need to undertake the important task of evaluating our relationships intelligently. We need to recognize the people with whom God has called us to walk in mutually beneficial relationships and to identify those who will derail our destinies or hinder His purposes for our lives. It is high time we cultivate our Relational IQs, understanding not only how to build great relationships but also how to avoid or skillfully exit bad ones. Van Moody saw this need every day of his pastoral life, but he could not find a concise, practical resource for people who need to become more relationally savvy. He needed a beyond-the-basics study guide for Relational IQ. The People Factor is his solution. God works in our lives through our relationships. Yet, all too often, we get our relationship advice from the most toxic sources we can find. The People Factor is based on the most effective, trustworthy relationship book of all time: the Bible. If you hunger for a richer, more fulfilling life, your Relational IQ is the place to start. If you put The People Factor principles to work, you will become stronger, happier, and healthier in all your relationships. You will be a better spouse, a better friend, a better boss, a better parent, and a better person.
