JOSS WHEDON: THE BIOGRAPHY (PAPERBACK)

Chicago Review Press, United States, 2015. Paperback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book. Going from the 4 million US viewers who watched Buffy the Vampire Slayer to a worldwide box office of \$1.5 billion for The Avengers is quite a leap. Yet the creator of them both, Joss Whedon, told as personal a story with a cast of A-list movie stars and complicated CGI effects as he had with a modestly budgeted teen fantasy series on an upstart netlet. Whedon deals in classic themes of love, death, and redemption with a feminist perspective that his mother, a beloved teacher and activist, imparted to him. Although he comes from a family of television writers, he was determined to follow his own path from a young age. This definitive biography shows how his years at an elite English public school led to his early successes, which often turned into frustration in both television (Roseanne) and film (Buffy the Vampire Slayer ; Alien: Resurrection). But when he resurrected his girl hero on a young network, the results enabled him to direct, write, or produce three more television series, several movies, Marvel comic books, and an innovative web series, culminating in the blockbuster The Avengers. Then Much Ado About Nothing, a personal project shot in his home and cast with friends, allowed him to step out of Marvel s shadow. Amy Pascale has based this revealing biography on extensive original interviews with Whedon s family, friends, collaborators, and stars as well as with the man himself. They ve shared candid, behind-the-scenes accounts of his work with Pixar, his filmmaking adventures, and the making of his groundbreaking series Buffy, Angel, Firefly, Dollhouse, and Agents of S.H.I.E.L.D.
