New Harbinger Publications. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 10.8in. x 8.4in. x 0.3in. Empirically based treatment protocols distill the results of carefully designed and replicable scientific studies into a step-by-step, session-by-session treatment plan. Effective protocols save time, increase the probability of obtaining good results, make it easier to train and supervise new therapists, and satisfy the needs of third parties to know that the proposed treatment follows the best available practices. All of the therapist protocols in the Best Practices series share these common features: A consistent format and organization A detailed, session-by-session treatment program that includes worksheets, homework assignments, in-session treatment exercises, and didactic material Specific assessment measures both for the target disorder and for the overall treatment program A treatment plan summary for managed care requirements Each therapist protocol is accompanied by its own corresponding step-by-step client manual, containing all the education materials, worksheets, and skill-building assignments that the client will need. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
