

Poor Little Witch Girl

By Desplechin, Marie

Bloomsbury USA Children's Books, 2006. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1582348987 At age eleven, Verbena hasn't shown a single sign of talent for witchcraft. And worse than that--she wants to be normal. In fact, she even dreams of settling down someday and getting married! But with a mother who tells you that a) you're a witch and b) a husband won't be much use to you--how can anything feel normal? But there is hope in the form of a loving grandmother--also a witch--who takes Verbena under her wing and shows her that casting spells and causing supernatural things to take place--is not so bad after all. Told in alternating points of view, Poor Little Witch Girl is the funny, tender story of a mom who knows exactly what she wants her daughter to be, and a daughter who just wants to be herself. In the end, maybe the two aren't so different after all?.

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.
-- Alford McClure

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
