Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This handbook for parents provides information and guidelines for selecting a good school for your child. Different children may need different schools or even different schools at different times in their lives. How do you go about choosing the right, best school whether your child is just starting school or is farther along in some higher grade? What is the best fit for your child? How do I evaluate my child s current school? What kinds of things do I look for if I want to help my child change schools? These kinds of questions and more are anticipated in this book and there is a questionnaire provided at the back to help parents determine how your child s school measures up to your expectations. What about your own education did you value or wish had been different? Given so many changes in technology and the new economy, what skills do you think will be most necessary to be successful after a good education?.
