## RELIGIOUS FREEDOM IN CHINA POLICY, ADMINISTRATION, AND REGULATION A RESEARCH HANDBOOK.

SourceNet. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 10.8in. x 8.2in. x 0.4in. Religious Freedom in China: Policy, Administration and Regulation is the first exhaustive compilation of all the laws and regulations currently operative in the Peoples Republic of China relative to religion. It includes not only those national laws that function throughout the country and offer a general perspective on religion, but the many laws and regulations that are specific for different administrative areas such as Tibet and Xinjiang. To assist the reading in understanding the import of the different laws, the volume includes a brief survey of those Chinese government structures that have oversight of religion and how they operate at different levels. Though written in English, there are numerous references in Chinese that allow readers to track the sources for each law that is discussed. The volume also includes the complete text in both Chinese and English of the new national law on religion released at the end of 2004. Kim-Kwong Chan is the Honorary Research Fellow of the Universities Service Center For China Studies, Chinese University of Hong Kong; Executive Secretary of the Hong Kong Christian Council; and, an appointed Justice of the Peace of the HKSAR Government. Eric R. Carlson is a J. D. candidate at J. Reuben Clark Law School, Brigham Young University, 2005. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
