ROWMAN LITTLEFIELD, United States, 2015. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. As American educational reformers continue to find innovative ways to address the global achievement gap, many experts seem to agree that increasing instructional time is a viable option. In addition to extending the school day, some educational leaders have looked to modifying the traditional academic calendar to address some of the academic losses that occur when students have 8-10 weeks of summer vacation each year.
