Does Anyone Else Want to Be a Highly Successful Personal Trainer-And Truly Live Your Dream? Most folk who embark on a career as a trainer, do so initially out of a personal passion for fitness and a strong desire to help other achieve results. Be it weight loss, conditioning, strength gains, flexibility or enhanced performance. But a passion for working out and an earnest desire to help others-alone-does not a successful personal trainer make. Unfortunately, until now, there has been no such battle-tested blueprint available either to the novice trainer or the professional struggling to stay alive. Now, however that s all changed, thanks to Danny Kavadlo s Everybody Needs Training. Follow the hard-earned wisdom within these pages and failure will no longer be an option. Danny Kavadlo s training helped me to discover strengths I never knew I had, and I can take those lessons with me wherever I go, for the rest of my life. The wisdom and insight contained in Everybody Needs Training not only relates to being a successful fitness trainer, but can be applied for peace and success in many of life s ventures.
