The Wakeman Trust, United Kingdom, 2010. Paperback. Book Condition: New. Revised edition. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. C H Spurgeon said of this great Confession - Here the youngest members of our church will have a body of Truth in small compass, and by means of the scriptural proofs, will be able to give a reason of the hope that is in them. This brilliant summary of doctrine (in the same family as the Westminster Confession), with its invaluable proof texts, is here gently modernised in punctuation, with archaic words replaced. Explanations of difficult phrases have been added in italic brackets. A brief history of the Confession, with an index, is included.
