Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, The Galaxy Game, Karen Lord, For years, Rafi Delarua saw his family suffer under his father's unethical use of psionic power. Now the government has Rafi under close watch but, hating their crude attempts to analyse his brain, he escapes to the planet Punartam, where his abilities are the norm, not the exception. Punartam is also the centre for his favourite sport, wallrunning - and thanks to his best friend, he has found a way to train with the elite. But Rafi soon realises he's playing quite a different game, for the galaxy is changing; unrest is spreading and the Zhinuvian cartels are plotting, making the stars a far more dangerous place to aim. There may yet be one solution - involving interstellar travel, galactic power and the love of a beautiful game. This edition contains a bonus short story!.
