Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak a second language but simply didn t have the time? Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world (including 7 Arabic dialects) and distilling from them the 350 words that are most likely to be used in real conversations. Through various other discoveries about how real conversations work that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way to become fluent NOW. If you want to learn complicated grammar rules, or the non-Romanized alphabet of a foreign language, this book is not for you. However if you need to actually hold a conversation whilst on a trip to a foreign country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. Nitzany believes that what s most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn a complex foreign alphabet. More formalized training in grammar rules, learning to write in a foreign alphabet, etc. can all come later. The first in a series of language instructional guides, the Nitzany Method s revolutionary approach is the only one in the world that...
