A town where Innocent children came up missing at least once a month. I lived in a town such as this when I was growing up and this place of evil was 50 yards from my front door. It all started on cold morning. I heard my mother screaming, Where s the children? A family torn apart by child molesters and murderers. Two men were living in the old mine and they were the cause of our problems. My brother and sister were missing and we knew what had happened. We looked and could not find them. Years later I recall the evil and torment the evil men had caused and I blame it all on myself but I was just a kid.I tried to kill myself several times but I was too much of a coward. I finally moved to Chicago and after finding a job I met a young lady and my life changed. Thank God for your help.
