Christian Focus, 2007. Softbound. Book Condition: NEW. Dimensions: 140 x 216 x 25 mmWeight: 0.372 kilosPages: 320 Deuteronomy is a misnomer; it means the second law. The name is taken from Deuteronomy 17:18 where the expression really means having a copy of the law. Deuteronomy is therefore not a second, different, law but a renewal of the covenant made on Mount Sinai. For a people on the brink of entering their promised land Deuteronomy confirmed Gods gracious promises as they prepared for new horizons and adventures: Allan Harman shows the covenant structure of Deuteronomy throughout its 5 key sections \* Historical introduction (1:1 to 4:49) \* The Foundation of the Covenant Relationship (5:1 to 31) \* The Exposition of Ten Commandments (6:1 to 26:15) \* The Re-affirmation of the Covenant (27:1 to 30:20) \* The Continuation of the Covenant (31:1 to 34:12)The Focus on the Bible series provides accessible, down-to-earth, stimulating commentaries to help you understand the Bible better. All Focus on the Bible authors believe in the inerrancy of Scripture and the uniqueness of salvation in Christ. Each book follows the Christian Focus three R's: \* READABILITY - Every author must communicate effectively, unambiguously and engagingly. \* RELIABILITY - Each commentary must reflect an uncompromising high view of Scripture. \* RELEVANCY - The ideas discussed must be grounded with everyday applications.The commentary series is steadily growing and currently over one third of the biblical books are covered. It is ideal for preachers and teachers as well as personal study.-Publisher.
