Brand New Book ***** Print on Demand *****.According to legend, many, many years ago there was a great gathering of animals, right slap bang in the middle of Australia. You see, many of the animals felt they were more special than all the rest. This is the story of how they decided, once and for all, who was the most unique. Review This is an outstanding and original production. The bold coloured, vibrant illustrations are expressive and funny; I laughed my head off! With a strong message on the importance of keeping a low profile, readers will enjoy this book immensely. -Kids Book Review.
