He was a pretty frequent visitor at his brothers house in Onslow Square since his little goddaughter had become one of its inmates. The very first time that Violet got him all by herself she asked him to tell her whether he thought it would be a good way of keeping out of temptation not to go to the music academy, but to work on by herself with Professor Wolff. He had started the subject again since she had last seen him, and oh, uncle, she added, I will tell you exactly what he said, and then you can judge. He told mademoiselle before me that there was no competition at all between me and Laura, although she is so much older, for that I had left her in the far distance, and he had taught me more in five months than he had taught her in five years. I know I am vain, she said, because I liked so much to hear him say this. So ought I to go to these classes where he says there will be full opportunity for emulation Those were his words too. Her uncle smiled at the simplicity of her question. Emulations are of the devil, he replied. If we had a Bible here, Violet, we could find them mentioned amongst the works of the flesh, summed up in the fifth chapter of Galatians. Then you think I ought not to go....
