Talented, beautiful, just starting out with her first job, new apartment and boyfriend, she had the world in the palm of her hand until a single phone call altered the course of her life forever. Overnight, she became the mother to her sister's three orphaned children, keeping a promise she never regretted making, even if it meant putting her own life indefinitely on hold. Now, at forty-two, as independent as ever, with a satisfying career and a family that means everything to her, Annie is comfortable being single and staying that way. She appears to have no time for anything else. With her nephew and nieces now young adults and confronting major challenges of their own, Annie is navigating a parent's difficult passage between lending them a hand and letting go, and suddenly facing an empty nest. And the youngest, twenty-one-year-old Katie impulsive, artistic, rebellious is an art student about to make a choice that will lead her to an entirely different world she is in no way prepared for but determined to embrace. Then, just when least expected, a chance encounter changes Annie's life yet again in the most unexpected direction of all. From Manhattan to Paris and all the way to Tehran, *Family Ties* is a novel that reminds...
